- (d) the driveway and crossover between the road and the parking area on the Lot are constructed and completed prior to the occupation of the house;
- (e) the driveway and crossover are constructed of paved materials using brick or block paving or reconstituted limestone/concrete but not standard broom finished in situ concrete or grey slabs;
- (f) the side and rear boundaries of the Lot are fenced; and
- (g) any carport and garage that is accessed from a rear laneway is fitted with a roller or sectional door to ensure security.;

3.2 Commence, carry out, erect, construct or alter any development on the Lot without:

- (a) plans and specifications (including finishes schedules) being first submitted to and approved by HA; and
- (b) compliance with any condition (consistent with these covenants) imposed by HA in giving its approval.

3.3 Construct or permit to be constructed or bring onto the Lot any outbuilding (including any detached garage, workshop, garden shed, storage shed or other outbuilding) which exceeds 10m² in Floor Area or more than 2 metres in height above the natural surface level of the Lot or is visible from any public road reserve or open space unless constructed in the same materials as the house or houses (as the case may be) on the Lot;

- 3.4 Construct or permit to be constructed on the Lot:
- (a) any fence abutting any public road reserve greater than 8 metres wide unless:
 - (i) the front fence is constructed with rendered brick or limestone piers to a maximum height of 1.2 metres and infilled with either solid rendered masonry or visually permeable panels to a maximum height of 1.0 metre, or tall fencing with rendered brick or limestone piers to a maximum height of 1.5 metres and infilled to a maximum height of 1.3 metres with visually permeable panels or solid rendered masonry to a maximum height of 1.0 metre with visually permeable material on top; and
 - (ii) any side fence is constructed of rendered brick or limestone piers, 1.8 metres in height and infilled with either solid rendered masonry or proprietary brand capped colourbond metal fencing or visually permeable panels to a maximum height of 1.8 metres. Any side fence is to extend for a distance of two thirds of the side boundary from the rear boundary and the remaining one third of the side boundary to be constructed in accordance with clause 3.4(a)(i) above.
 - (b) any gate unless it is constructed of complementary material to the fence;
 - (c) any dividing fence unless such fence is constructed of proprietary brand capped colourbond metal fencing to a maximum height of 1.8 metres which does not project past the front building line;
 - (d) any fence forward of the building line unless such fence is constructed of rendered brick or limestone piers to a maximum height of 1.2 metres and infilled with either solid rendered masonry or visually permeable panels to a maximum height of 1.0 metre or tall fencing with rendered brick or limestone piers to a maximum height of 1.5 metres and infilled to a maximum height of 1.3 metres with visually permeable panels or solid rendered masonry to a maximum height of 1.0 metre with visually permeable material on top; and
 - (e) any fence abutting any rear laneway unless such fence is constructed and infilled with either solid rendered masonry or proprietary brand capped colourbond metal fencing including a component of visually permeable panels with solid fencing limited to storage/service areas.
- 3.5 Take or permit any action to be taken to remove, alter, mark, or remove any wall or fence constructed by HA (unless additional blocks are required to be added for the purpose of retaining) on or about any of the boundaries of the Lot, permit such wall or fence to become damaged unsafe or fall into a state of disrepair, permit any roots or any tree, plant or building or other thing on the Lot to cause such wall or fence to become structurally unsound and repair or renew such wall or fence except in the same style and colour as the existing wall and fence.
- 3.6 Permit any rubbish disposal containers on the Lot to be in front of the building line except on days allocated by the local authority for rubbish collection from the Lot.
- 3.7 Permit any clothes hoist or satellite dish to be visible from any public street or thoroughfare or public open space.
- 3.8 Permit any television antenna to exceed a height of 1 metre above the roofline of the house constructed on the Lot in the direction of reception.

- 3.9 Permit any roof mounted airconditioning or evaporative cooling plant to be installed unless it is of similar colour to the roof of the house constructed on the Lot.
- 3.10 Permit any solar hot water system to be installed unless it matches the profile of the house constructed on the Lot.
- 3.11 Construct any letterbox unless clearly numbered and complementing the house constructed on the Lot.
- 3.12 Permit garden areas on the Lot and within public view (including adjoining road verges) to remain unlandscaped after six months of occupation of any house on the Lot or in the case of a display house constructed on the Lot, after practical completion of the display house on the Lot.
- 3.13 Carry out or permit to be carried out on the Lot any repairs, restorations or wrecking of any motor vehicle, boat, trailer or any other vehicle unless screened from public view at all times.
- 3.14 Park or allow to be parked on the Lot or on the road or on any other Lot near or next to the Lot any commercial vehicles including but not limited to trucks, caravans, trailers, boats or any other mobile machinery (**commercial vehicles**) unless such commercial vehicles are housed or contained within a carport or garage on the Lot or screened behind the building line, unless when used during the normal course of business by a visiting tradesperson.
